# Books to read in Year 5

**The more that you read,  
The more things you will know.  
The more that you learn,  
The more places you'll go.**  
-Dr. Seuss

The books we have chosen for Year 6 will entertain, intrigue and provide a challenge. Children of this age group need a storyline, but they should also be experiencing deep and rich books. We have several copies of all of these books in school for children to borrow. Children will be rewarded for their reading at various points during the year.

Please also aim to read one non-fiction book every half term. Let your teacher know when you have read one of each.
